Central National Gottesman’s (CNG) Spicers Canada Division Acquires TG Graphics to Expand Sign Industry Offerings

PURCHASE, NY—May 4, 2023—Central National Gottesman Inc. (CNG), a \$10B global sales, marketing, and distribution organization, announced today that its Spicers Canada division will acquire TG Graphics, a leading Canadian distributor of solutions for the sign industry specifically designed for print, dye sublimation, and engraving applications.

Founded in 1981, TG Graphics is headquartered in St. Laurent, QC, with additional facilities in Burlington, ON, Saskatoon, SK, and Calgary, AB. The company provides solutions, service, and support for related businesses including the sale of printing and finishing equipment, media, substrates, and inks.

“Our North American Distribution business is committed to the ongoing diversification of its product and service offerings to reflect the needs of customers and suppliers within our industry,” said Andrew Wallach, CNG President and CEO. “This acquisition strengthens that commitment, and we couldn’t be happier to welcome the entire TG Graphics team to the CNG family.”

TG Graphics is known for its qualified team of customer service and technical service experts, as well as its local engagement within the regions it serves.

“We feel very fortunate for the opportunity to add the exceptional team of TG Graphics, and their experience and capabilities to Spicers Canada,” said Cory Turner, President of Spicers Canada. “Aligning their unique solutions with our current offering should create meaningful value across multiple regions.”

Turner added that customers will immediately benefit from the combined offerings of both companies through initiatives, investments, and strategies designed to strengthen capabilities both inside and outside of Spicers Canada’s core markets.

Spicers Canada is a leading distributor of printing paper, specialty products, packaging, facility supplies, and graphic solutions. It operates from 18 strategically located sales and distribution operations, with more than 600 employees and with a history that dates over a century.
